Regular meetings of the Mill Creek City Council shall be held on the first, second and fourth Tuesdays of each month commencing at 6:00 p.m. in the Mill Creek Council Chambers located at 15728 Main Street, Mill Creek, Washington. Your participation and interest in these meetings are encouraged and very much appreciated. We are trying to make our public meetings accessible to all members of the public. If you require special accommodations, please call the City Clerk at (425) 921-5732 three days prior to the meeting.

The City Council may consider and act on any matter called to its attention at such meetings, whether or not specified on the agenda for said meeting. Participation by members of the audience will be allowed as set forth on the meeting agenda or as determined by the Mayor or the City Council.

To comment on subjects listed on or not on the agenda, ask to be recognized during the Audience Communication portion of the agenda. Please stand at the podium and state your name and address for the official record. Please limit your comments to the specific item under discussion. Time limitations shall be at the discretion of the Mayor or City Council.

Study sessions of the Mill Creek City Council may be held as part of any regular or special meeting. Study sessions are informal, and are typically used by the City Council to receive reports and presentations, review and evaluate complex matters, and/or engage in preliminary analysis of City issues or City Council business.

Times listed on the agenda are approximate only. Discussions may sometimes cause remaining agenda items to be considered before or after their scheduled time. Citizens are welcome and encouraged to attend all sessions (except for Executive Sessions) of the meeting.

Subject MILL CREEK YOUTH ADVISORY BOARD SENIORS RECOGNITION

Budget Impact: None

Contact Person/Department: Pam Olson, Recreation Manager

SUMMARY:
Mayor Pruitt will be presenting a Certificate of Appreciation to eleven members of the Mill Creek Youth Advisory Board. Members of the Board who are seniors will be graduating from Henry M. Jackson and Inglemoor High School in June 2015. The certificates recognize the service of the students for their participation and involvement as members of the 2014/2015 Youth Advisory Board. The City of Mill Creek would like to thank and congratulate these seniors for their contribution in making a positive difference in their community.

During 2014-2015, the Board members contributed 974 volunteer hours to the community of Mill Creek.

A power point designed by members Jace Lee and Lauren Hoang will be presented.

BACKGROUND:
In 2001, the City established the first Mill Creek Youth Advisory Board. Since its inception, the Youth Advisory Board members have been involved with organizing community service projects, creating and implementing new teen programs as well as serving on other City boards such as the Parks and Recreation Advisory Board. The main goal of the board is to strengthen relationships between youth and their community through special events.

Recognition of Mill Creek Youth Advisory Board Graduating Seniors.

ATTACHMENTS:
List of 2014/2015 Graduating Youth Advisory Board Seniors
2014/2015 Graduating Youth Advisory Board (YAB) Seniors

Reigina Apuya has been on the YAB for one year. She has attended the 3 on 3 Basketball Tournament, Kids fun run, Bingo Night, Parents Night Out, Buffalo Park Opening, Egg Stuffing, Eggstravaganza, and the Teen Flashlight Egg Hunt, which is one of her favorite events because of the age group and the opportunity to socialize with all the kids. She is going to get her Doctorate in Nursing Practice at UW and plans to open a clinic in Kauai.

Alia Memon has been on the YAB for 5 years. She has attended the Kids Fun Run, Trunk or Treat, Food Lifeline, Holiday Parade, Teen Egg Hunt, Eggstravaganza, Parents Night Out, Family Bingo Night, Silvertips Game Fundraiser, 3 on 3 Basketball, Mill Creek Festival, Shred-it, and Board Bash. Over the years, Alia's favorite event has been the Holiday Parade because of the holiday spirit, being able to hand out candy to the kids, helping kids on and off the train ride, and participating in the parade. After graduation, Alia plans to attend the University of Washington and will study Psychology and Law, or study Business and Marketing with a focus on Graphic Design and advertisement.

Brett Hereth has been on the YAB for four years and has held the Secretary position for the last two years. He has attended all the events and his favorite event is the Eggstravaganza because of all the canned food items that are donated by the families for the Mill Creek Food Bank. Brett plans to attend Washington State University and plans to study Food Science.

David Hwang has been on the YAB for two years. He has attended various events such as the Mill Creek Festival, Kids Fun Run, Teen Egg Hunt, Food Lifeline, Christmas Tree Lighting, and Trunk or Treat. David's favorite event is the Kids Fun Run because he enjoys seeing all of little kids having a good time. He will be going to Wesleyan University in Connecticut, and plans on studying Computer Sciences.

Emily Tasaka has been a member of the YAB for four years. She has attended all of the special events and her favorite event is Parent's Night Out because it's so much fun to play games with all the kids. Emily plans to attend UW in the fall.

Leah Shin has been on the Youth Advisory Board for six years, and has held the officer positions of Secretary and Activities Coordinator. She has attended all the City events including the Board Bash, Mill Creek Festival, Kids Fun Run, Trunk or Treat, and Prom Fair as well as events with Sno-isle library including the Valentine Party and the Halloween Party. Leah's favorite event is the Trunk or Treat because of the boundless amount of candy donated and given away to children as well as providing a safe place for families to enjoy Halloween. Leah plans to attend the University of Washington to study Business Marketing.
Indira Rayala joined the YAB in her sophomore year. She has attended many of the events that include the Kids Fun Run, 3 on 3 Basketball Tournament, Parent's Night Out, Family Bingo, Eggstravaganza Egg Hunt, and many other events. Indira’s favorite event is the Eggstravaganza Egg Hunt because it’s a fun event for all families and YAB members to participate in and loves to see the 15,000 eggs spread out on the field. She plans to attend Johns Hopkins this fall and plan to double major in Public Health and Anthropology.

Joseph Driscoll has been on the YAB for two years and currently holds the Co-Chair position. He has attended all of the YAB events. His favorite event is the 3 on 3 Basketball Tournament because of the interaction the YAB members get to have with the teams and players. He plans to attend Cascadia College and study Business.

Michelle Nguyen has been on the YAB for three years. She has attended all the events such as Board Bash, Tree Lighting, Kid’s Fun Run, 3 on 3 Basketball Tournament, Shred-it Event, and many more. Michelle’s favorite event is the Annual Christmas Tree Lighting and Parade because she enjoys the cheery holiday spirit and loved seeing the entire community come together and celebrate. She also likes being able to dress up as an elf and be a part of the holiday parade. Michelle will attend the University of Washington-Seattle to study Biochemistry and work towards a Doctor of Pharmacy.

Sunny Hong has been on the YAB for five years. She has held the Photo Journalist, Social coordinator, and Co-Chair positions. Sunny has attended and enjoys all events the YAB participates in. Her favorite event is the Eggstravaganza because of the feeling of community and being able to see smiles and enjoyment from children’s faces. Sunny plans to attend New York University for a year and will be attending Cornell University as a guaranteed transfer for the next 3 years. She will study International Relations and Industrial Labor Relations.

Timmy Chen has been on the YAB for one year. He has attended the 3 on 3 Basketball Tournament, Trunk or Treat, Egg Hunts, and many more. Timmy’s favorite event is the Flashlight Egg Hunt because it fun setting up and watching the candy disappear within minutes. He plans to attend UW Bothell in the fall and study Computer Science.

Subject: CHANGE ORDER FOR 2015 STORM PIPE REPAIR PROJECT

Budget Impact: Revised contract amount not to exceed $680,000

Contact Person/Department: Scott Smith, City Engineer

SUMMARY:
On February 24, 2015, the City Council awarded a construction contract in the amount of $603,375.00 to Rodarte Construction for the 2015 Storm Pipe Repair Project. The City had a major storm water infrastructure problem in the area around the Silver Crest / Silver Glen neighborhoods between 35th Ave SE and 28th Drive SE, and the contract scope of work primarily consisted of digging up and replacing approximately 3,300 feet of pipe and 13 catch basins.

The project was expected to last three months, but the contractor completed the work in six weeks. The contractor did an excellent job, but many changes were necessary during construction due to a variety of issues. Major changes to the project scope included:

1) Replacement of additional failed pipes and catch basins;
2) Repair of existing catch basins in poor condition;
3) Field adjustment of pipe alignment due to conflicts with utilities;
4) Delays due to unmarked utility lines;
5) Clarify missing / conflicting information from design plans;
6) Rehabilitate existing outfall drainage ditch between Silver Crest Drive and North Pointe; and
7) Property restoration.

Many changes happened on short notice and had to be addressed quickly in order to keep the project moving forward and avoid considerable disruption to the surrounding residents. Most were also difficult to define or quantify due to unknown circumstances, such as underground utilities. In those cases, the fairest way for both the City and Contractor to address the extra work is often by the use of Force Account (FA), which is by time and materials plus a previously defined markup rate. Force Account also gives the City more control over how the work is done, and all FA work was verified and approved by City inspection staff.

An initial Change Order No. 1 in the amount of $42,000 was approved by the Interim City Manager on April 7, 2015. Once the final payment quantities were resolved, staff determined that the final construction contract amount exceeded the 10% City Manager approval authority per City Council Policy 96-002. The exact number is still being negotiated with the contractor, but the latest pay estimate has a total contract amount of $675,817. A second change order is required to resolve the final contract amount, and a total of $680,000 is proposed to allow for any final minor adjustments.
CITY MANAGER RECOMMENDATION:
- Funding for this project, in the amount of $850,000, was budgeted in the current biennium in the Surface Water Utility Fund 401. A contract with Perteet Engineering in the amount of $75,512 for project design was awarded in July 2014. The total project cost (design and construction) including Change Order No. 2, totals $755,512. Total project costs are anticipated to be under budget by $94,488.
- Authorize the City Manager to approve contract Change Order No. 2 for a revised total construction contract amount not to exceed $680,000.

COUNCIL PROCESS/ACTION:
- Presentation by Scott Smith, City Engineer
- Council discussion
- Council vote to approve, deny or modify the recommendation

RE: Design Review Board Volunteer

Greetings:

As a resident of south Snohomish County for over twenty years I have observed the high quality of the planned growth achieved by the City of Mill Creek. While working for UDC as manager of the Mill Creek Landscape Construction Division during the mid 90’s, I became aware of the scenic character of the area.

I am aware of the challenges and the need for skilled volunteers to assist with the design review process. I became involved with the Design Commission for the City of Sumner (my wife’s hometown) and really enjoyed the professional challenges and successes of assisting with the planned growth of a small town in Pierce County. Due to the commuting distance, I resigned last year and yet still miss working with other professionals during the design review process.

Therefore, I would like to bring my experience to volunteer on the Design Review Board for the City of Mill Creek.

Sincerely,

D. Wayne Bisom

Dear Ms. Ringstad:

I read the information in the Mill Creek View with regard to the City of Mill Creek, seeking a volunteer for the Design Review Board.

My past experience while working for a local community mental health agency in Snohomish County, as Facilities Director included space planning and planning for construction, with many municipalities in Snohomish County.

I was responsible as a project manager for the oversight of all construction for the agency for 25+ years, addressing housing for a myriad of people in our County, construction of not only residential but commercial sites in four counties.

I believe I would be an asset for this Board, when it comes to short and long term planning and impact on the community.

Currently I am retired from my last position and therefore would have time to devote to a Board.

If you would like any additional information please contact me at icieano40@gmail.com, my address or by phone. I am a resident of Mill Creek and can be reach at 425-622-7925.

Sincerely,

Jean Costanti-Oehler
