RESOLUTION 2004-251

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MILL CREEK, WASHINGTON SUPERSEDDING RESOLUTION 99-277 AND PROVIDING REVISED PROCEDURES FOR THE BIENNIAL SELECTION OF THE CITY MAYOR AND MAYOR PRO TEM

WHEREAS, RCW 35A.13.030 requires that "biennially at the first meeting of the new Council the members thereof shall choose a chairman from among their members . . . [who] shall have the title of Mayor and shall preside at meetings of the Council"; and

WHEREAS, RCW 35A.13.035 provides that "biennially at the first meeting of the new Council, or periodically, the members thereof, by majority vote, may designate one of their members as mayor pro tempore . . . to serve in the absence or temporary disability of the mayor"; and

WHEREAS, the City Council adopted procedures for the selection of the Mayor and Mayor Pro Tem under Resolution 99-277; and

WHEREAS, the City Council desires to revise the procedures for selecting the Mayor and Mayor Pro Tem in accordance with its powers;

NOW, THEREFORE, the City Council of the City of Mill Creek, Washington, resolves as follows:

Section 1. Organizational Meeting. In December preceding the biennial seating of the new Council, City Council shall schedule a study session for the purpose of discussing the City Council function and operation, role of the City Mayor and Mayor Pro Tem, expectations of the Council for the City Mayor and Mayor Pro Tem, selection of the City Mayor and Mayor Pro Tem, and the organizational activities which typically occur at the first biennial meeting of the new Council in January. The study session may be a regular or special meeting of the City Council.
Notice shall be given as required by law and, in addition, all new Councilmembers elected at the previous general election shall be given individual notice of the meeting and shall be invited to attend.

Section 2. Selection of Mayor and Mayor Pro Tem. Biennially at the first meeting of the new Council, typically the first meeting in January, or as otherwise established by law, the Council shall select from among its members a Mayor and Mayor Pro Tem, as required by RCW 35A.13.030 and 35A.13.035, in accordance with the following procedures. The office of Mayor shall be selected first, followed by selection for the office of Mayor Pro Tem. Nomination, selection, and appointment shall be conducted in an open public meeting, provided that recesses to executive session may be called in accordance with RCW Chapter 42.30.

Section 3. Nominations/Nomination Process. Candidates for Mayor or Mayor Pro Tem shall be nominated by a member of the Council. Nominations shall require a second to place the nominee in contention for selection. Voting shall occur as set forth in Section 4 below. If the Council is unable to select a Mayor or Mayor Pro Tem (as the case may be) after five ballots, or if on any ballot containing only two candidates one of the candidates withdraws his/her name from consideration before the vote on said ballot, nominations shall be reopened. If nominations are reopened, candidates that did not receive at least one vote during any of the preceding ballots must be nominated as set forth above. Nominations shall be reopened after every fifth ballot thereafter as needed. Any nominated candidate may withdraw from the selection process at any time except during an ongoing vote.

Section 4. Voting. At the close of nominations for the respective office, the Clerk shall place the names of all nominated candidates on a written ballot, shall designate the ballot as "Round
#1, Ballot #1," and shall distribute the ballot to each Councilmember. The Council shall vote on the written ballot provided by the Clerk, each Councilmember casting one (1) vote for the candidate of his/her choosing (or writing "abstain" on the ballot). The ballot shall be signed by the Councilmember casting the vote and all ballots shall be collected by the Clerk and tabulated. The Clerk shall announce the names of each candidate, the number of votes received, and the Councilmembers voting for that candidate. If no candidate obtains at least four votes of the Council, the candidate(s) receiving the lowest number of votes shall be removed from the ballot, provided that at least two candidates shall move forward to the next ballot, and the Clerk shall prepare the next ballot, which shall contain the names of the remaining candidates and shall be designated as "Round #1, Ballot #2." The Council shall vote on that ballot in the manner provided above. Ballot preparation and voting shall continue in that manner for five ballots or until one candidate receives at least four votes of the Council, whichever occurs first. If no candidate is elected after five ballots, nominations shall be reopened as set forth in Section 3 and voting shall continue as set forth above, the first ballot in the second round being designated "Round #2, Ballot #1." This process shall continue until a candidate receives at least four votes of the Council. All ballots from all rounds shall be retained by the Clerk as part of the record and shall be available for public inspection at the close of the meeting.

Section 5. Election and Oath of Office. The candidate first receiving at least four votes cast by the Council shall, by that act, be elected as the Mayor or Mayor Pro Tem (as the case may be) of the City of Mill Creek, Washington for the term prescribed by law. The newly elected Mayor or Mayor Pro Tem (as the case may be) shall take the oath of office and be seated immediately to serve thereafter in their respective office for the City of Mill Creek.
RESOLVED this 11th day of April, 2004, by a vote of ___7___ for, ___0___ against, and ___0___ abstaining.

Design Review Board Meeting Minutes  
October 15, 2015  
Page 2

Planning Specialist Sherrie Ringstad stated that the project before the Board is an approximately 6,500 square foot Autozone store to be located on the Lowe’s site off 132nd Street SE. She noted the Hearing Examiner approval of the Binding Site Plan was final on September 29, 2015. Ms. Ringstad’s presentation included a description of the project location, photos of the existing conditions, and a review of the overall site plan.

Building Elevations, Materials and Colors
Planning Specialist Ringstad reviewed the Design Guidelines applicable to commercial buildings including a consistent level of detail on all sides of the building and the incorporation of traditional building materials. She described the different elevations including the proposed materials and colors. Ms. Ringstad complemented the applicant on their responsiveness to staff’s suggestions and noted that Senior Planner Camille Christ, the planner for this project, felt there was a lack of detail on the east and south elevations in the original submittal. Following her discussion with the applicant, they revised the plan to include additional windows on the east elevation and trellises on the south elevation, which enhanced the project. Ms. Ringstad shared the material sample board with the Board Members.

Mr. Shawn Nguy, PacLand, 10135 SE Sunnyside Road, #200, Clackamas, Oregon 97015  
The applicant’s representative, Mr. Shawn Nguy, responded to a Board question and confirmed that the proposed doors shown on the east elevations are primarily an emergency exit.

There was a question regarding the lack of wall signage on the south elevation; however, Director Rogers stated that the applicant would have the option of adding additional signage if they chose. He noted that the Code allows permitted sign area to be distributed to one or more signs located on any side of the building facing a parking lot or street. In cases where a building frontage is not visible from any street and the rear of the building faces the adjoining street, the permitted sign area may be increased by 100 percent.

In general the Board Members approved of the building design and Chair Gunter added that he feels the colors complement both the Lowes and the Prime Pacific Bank.

MOTION: Vice Chair Tiedje moved, seconded by Member Bisom, to approve the building elevations, colors and materials for the proposed Autozone store as conditioned in the staff report. The motion was approved unanimously.

Landscaping
Planning Specialist Ringstad stated that the design guidelines applicable to landscaping are contained in MCMC Section 17.34.040.H and include coordination of landscaping with adjacent developments and a preference for native, drought tolerant landscaping. She briefly described the proposed landscaping and stated that any existing landscaping will be protected and preserved where possible and restored or replaced if disturbed. She noted that the applicant had responded to a staff suggestion to replace the Rugosa Rose proposed in front of the monument sign and replaced it with a Japanese ‘Blood Grass’,...
which is an ornamental grass with an attractive cranberry-red color and a mature height of 12-18 inches.

Vice Chair Tiedje noted that Rugosa Rose is still proposed beneath the Birch tree at the southeast corner of the building and wondered if that might also obscure the monument sign. Following a brief discussion, the Board decided that the Rugosa Rose in this location would not block the sign if it was managed at a lower height. Mr. Nguy assured the Board that the property owner would maintain the landscaping to ensure that the sign was visible.

Member Bisom complemented the applicant, stating that he feels there is a good mix of deciduous and evergreen as well as a nice mix of textures and colors.

**MOTION:** Member Hambelton moved, seconded by Vice Chair Tiedje, to approve the landscaping for the proposed Autozone store as conditioned in the staff report. The motion was approved unanimously.

**Freestanding Monument Sign**

Ms. Ringstad reviewed the dimensional guidelines applicable to monument signs and noted that the proposed sign is well within the amount allowed in the Code. She described the sign materials and colors and stated that while the sign is internally illuminated, as required by Code, only the letters and logo will be illuminated at night.

It was the consensus of the Board that the proposed sign was attractive and complementary to the proposed building. Member Hambelton added that he appreciated the fact that the sign was appropriately scaled and pedestrian oriented.

**MOTION:** Member Hambelton moved, seconded by Member Bisom, to approve the freestanding monument sign for the proposed Autozone store as conditioned in the staff report. The motion was approved unanimously.

**V. ADJOURNMENT:**

**MOTION:** Chair Gunter adjourned the meeting with the consensus of the Board Members at 5:45 p.m. The motion was approved unanimously.
