Regular meetings of the Mill Creek City Council shall be held on the first, second and fourth Tuesdays of each month commencing at 6:00 p.m. in the Mill Creek Council Chambers located at 15728 Main Street, Mill Creek, Washington. Your participation and interest in these meetings are encouraged and very much appreciated. We are trying to make our public meetings accessible to all members of the public. If you require special accommodations, please call the office of the Acting City Clerk at (425) 921-5725 three days prior to the meeting.

The City Council may consider and act on any matter called to its attention at such meetings, whether or not specified on the agenda for said meeting. Participation by members of the audience will be allowed as set forth on the meeting agenda or as determined by the Mayor or the City Council.

To comment on subjects listed on or not on the agenda, ask to be recognized during the Audience Communication portion of the agenda. Please stand at the podium and state your name and address for the official record. Please limit your comments to the specific item under discussion. Time limitations shall be at the discretion of the Mayor or City Council.

Study sessions of the Mill Creek City Council may be held as part of any regular or special meeting. Study sessions are informal, and are typically used by the City Council to receive reports and presentations, review and evaluate complex matters, and/or engage in preliminary analysis of City issues or City Council business.

ADJOURNMENT
AGENDA ITEM: MILL CREEK YOUTH ADVISORY BOARD SENIOR RECOGNITION

PROPOSED MOTION:
N/A

KEY FACTS AND INFORMATION SUMMARY:
Mayor Pam Pruitt will present a Certificate of Appreciation to six members of the 2017-2018 Mill Creek Youth Advisory Board to recognize the graduating seniors for their exemplary participation and involvement. The Board is composed of dedicated and enthusiastic high school students who make a yearlong commitment of community service by planning, promoting, and volunteering at various community events and projects. These six students are motivated and passionate about giving back and making a difference in the Mill Creek community. The City of Mill Creek would like to thank and congratulate these seniors for their contribution in making a positive difference in their community: Navneet Birk, Yevonne Park, Alexis Ramos, Norbu Sangpo, Kaitlin See and Yuna Shin.

Navneet Birk has been on the YAB for two years and her favorite event is helping with the Santa and Memorial Day parades. Navneet loves seeing families come out and enjoy the community events. Her favorite memory is going to WE-Day because it was truly an inspiring experience that she got to share along with the other board members. After graduation, Navneet will attend the University of Washington and pursue a degree in biology.

Yevonne Park has been on the YAB for three years and enjoys getting involved with the city she was raised in. Yevonne’s favorite and most rewarding event is mentoring at Mill Creek Elementary. Building relationships with the kids and the new skills gained from working with the kids is truly unforgettable. Through her time in the YAB, Yevonne’s favorite memory is making new friends that have become to become some of her closest friends. Overall, Yevonne loved how she met and connected with members in the community. Yevonne plans to study at San Diego State University with a major in public health and a minor in Spanish.

Alexis Ramos has been on the YAB for three years. During that time, Alexis has had the opportunity to be more involved with her community. Her favorite event is Eggstravaganza because she loves when all of the families of Mill Creek come together. Her favorite memory is passing out bundt cakes to members of the community during National Night Out and bringing smiles to people’s faces. After graduation, Alexis will move to Montreal, Quebec, to study political science at Concordia University.

Norbu Sangpo has been on the YAB for one year. Being part of YAB has been an enriching experience for him and he is thankful for the opportunity. His favorite event was Eggstravaganza because of the high turnout and seeing the kids’ excitement at the event. Norbu’s favorite
memory is being a referee for the 3-on-3 Basketball Tournament. He notes that seeing people of all ages compete and enjoy basketball was fun to watch. Norbu plans to attend the University of Washington and pursue a degree in mechanical engineering or physics.

Kaitlin See has been on the YAB for two years. Her favorite event is the Eggstravaganza because she loves seeing the families having a great time with the various activities at the event such as face painting, bunny photos and of course the egg hunts. Kaitlin’s favorite memory is attending WE-Day due to the inspiring message and hearing about various service projects achieved by the youth in the community. After graduation, Kaitlin plans to attend Western Washington University to study psychology.

Yuna Shin has been on the YAB for five years and has held the Liaison and Co-Chair officer positions. Yuna’s favorite event is the Eggstravaganza and her favorite memory is seeing other YAB members grow as leaders. Yuna will attend the University of Washington as a direct admit to the Biochemistry department and UW Interdisciplinary Honors Program. Yuna notes she will forever be thankful to the YAB for being a source of opportunity for those who want to get involved and make a change in the community.

During 2017-2018, the YAB members contributed more than 1,600 hours of volunteer service to the community of Mill Creek by volunteering at events in our community.

A PowerPoint designed by member Easha Dhillon will be presented highlighting projects and events the Youth Advisory Board has participated in this year.

CITY COUNCIL AGENDA SUMMARY
City of Mill Creek, Washington

AGENDA ITEM: ART & BEAUTIFICATION UTILITY BOX UPDATE

PROPOSED MOTION:
The Art and Beautification Board seeks approval from the City Council to increase funding by $7,500 for the utility box beautification program that was approved in 2016.

KEY FACTS AND INFORMATION SUMMARY:
In 2016, the Art & Beautification Board identified a potential beautification project for the City that would incorporate art into the City’s visual landscape. The project idea came from other municipalities that had created wraps for their utility boxes, turning something grey and unappealing into a work of art that is visually appealing.

At right is a picture of one utility box location in Mill Creek. Below on the right is a picture of a wrapped utility box in Issaquah.

Utility wraps are vinyl, graffiti resistant and washable. They generally have a life span of five to seven years.

Three utility box sites were presented to Council at the May 24, 2016, meeting and agreed upon:
- Three boxes on Main Street at Mill Creek Blvd.;
- Three boxes near Mill Creek elementary; and
- Three boxes on Dumas Road.

The City Council approved $5,000 for the project, of which $200 was designated for a graphic artist to design four box wraps; $300 for a student artist scholarship to design wraps; and $4,500 was designated for the production and installation of the wraps.
The Art & Beautification Board struggled for more than a year to find an artist or illustrator that would develop a design. Generally, most bill their time at $75 per hour or more, and were not willing to take on such extensive design work for the stipend available. Finally, a local artist who has done similar projects before agreed to mock up several designs for a $500 stipend.

The A&B Board agreed to work with artist Amanda Pearman and she provided concepts in January 2018. The board met with the artist and discussed the concepts. Samples of Ms. Pearman’s artwork are shown below.
The A&B Board has continued to work with Ms. Pearman to refine the concepts for the set of utility boxes on Main Street near Mill Creek Blvd.

Additionally, Board Member Jeanne Smart connected with Carol Kummerle, a current third grade teacher, regarding the recruitment of student designs for the utility box across the street from Mill Creek Elementary. Out of that conversation, an art project was designed for fifth grade Mill Creek Elementary students that will begin after state testing wraps up. The intent is to have their artwork used in a mural format on the utility boxes near the school, and it will be part of the fifth grade legacy project.

Board members and staff also are working with the Art Teacher Kaja Smith at Jackson High School to have students create designs by the end of the school year that will be used on the utility boxes on Dumas Road.

The A&B Board will review submissions from both schools to select winners to be incorporated into the utility box designs at the next Art and Beautification meeting on June 13, 2018. The winners of the artwork will be invited to attend a City Council meeting and will be publicly recognized.

**Budget**

The City Council originally approved $5,000 for the project.

The Board has reached out to local vendors to obtain estimates on printing and installing the artwork. Prices ranged from approximately $1,200 to $1,900 for each box (not each site). Based on this pricing, only one site can be completed within the original budget approved by the City Council. A query was made as to whether this project could be funded by Jackson High School’s Associated Student Body as a legacy project; the ASB is unable to use funds for this purpose.

Though the artwork for the two remaining sites will be free, the production and installation of the utility box wraps will cost about $3,600 to complete this beautification project. Therefore, the Board is requesting an additional $7,500 to cover all the boxes and provide a small contingency.

The current Municipal Arts fund has a balance of $45,254.92.

CITY COUNCIL AGENDA SUMMARY
City of Mill Creek, Washington

AGENDA ITEM: ART & BEAUTIFICATION BOARD PRESENTATION: PROPOSED MILL CREEK BEAUTIFICATION PROJECT

ACTION REQUESTED:
The Art and Beautification Board is seeking a general consensus from the City Council that it supports the proposed project and wants the Board to proceed with implementation.

KEY FACTS AND INFORMATION SUMMARY:
The Art & Beautification Board has been developing a potential beautification project for the City that would incorporate art into the City's visual landscape. The Board will present a PowerPoint slide show to Council about the proposed project.

CITY MANAGER RECOMMENDATION:
The City Manager recommends the City Council support the proposed project because the project supports the Council's economic development goals discussed during the Council’s annual retreat in February. If Council approves the project, the City Manager will assign staff to assist the Art and Beautification Board with implementation. The Municipal Arts Fund has sufficient funds to support the project.

CITY COUNCIL AGENDA SUMMARY
City of Mill Creek, Washington

AGENDA ITEM: 35TH AVENUE SE RECONSTRUCTION PROJECT ADDENDUM NO. 7 TO CONTRACT 2013-1091 (CONTRACT FOR PROFESSIONAL SERVICES)

PROPOSED MOTION:
The Council is asked to authorize the City Manager or Mayor execute Addendum No. 7 to Contract 2013-1091 for professional services with KPFF Consulting Engineers in an amount not to exceed $20,000.

KEY FACTS AND INFORMATION SUMMARY:
The City of Mill Creek executed a contract for professional services with KPFF Consulting Engineers in February 2014. The contract included design services to reconstruct 35th Ave. SE on a pin pile-supported slab that will prevent future settlement. Other work includes placement of cellular concrete fill, modular block walls, storm drainage improvements, pavement, sidewalks and maintenance of traffic. The project was advertised and the construction contract was awarded by Council on April 24th to Harbor Pacific Contractors.

Although the project is currently in the construction phase, KPFF is the engineer of record for the project. A summary of the tasks included in Addendum 7 include:
- Respond to Requests for Information (RFIs) submitted by Harbor Pacific Contractors
- Review submittals of materials and methods
- On-site meetings

KPFF’s current design budget is $489,696.

B. Sweetwater Ranch Stormwater Project - Authorize Construction Contract Amendment

Director of Public Works & Development Services Gina Hortillosa reviewed Resolution 2018-572 approved by Council on March 13 declaring an emergency related to the
Sweetwater Ranch stormwater infrastructure failure and briefed Council on additional sinkholes that have developed and the closed circuit television (CCTV) performed by the contractor that revealed pipes in dire condition. Director Hortillosa explained why the original pipe rehabilitation approach consisting of slip lining would not be feasible for the project and detailed the proposed trenchless method consisting of open face auger boring. Council engaged in discussion.

**Mayor Pro Tem Holtzclaw** made a motion to authorize the City Manager to execute an amendment to Contract 2018-1418 for construction services with Shoreline Construction Co. in an amount not to exceed $480,000. **Councilmember Steckler** seconded the motion. The motion passed unanimously.
