

1. Draw Upside Down Ice Cream Cone for Nose and Mouth. Add Nostrils and Lower Lip (and something in mouth if you like).

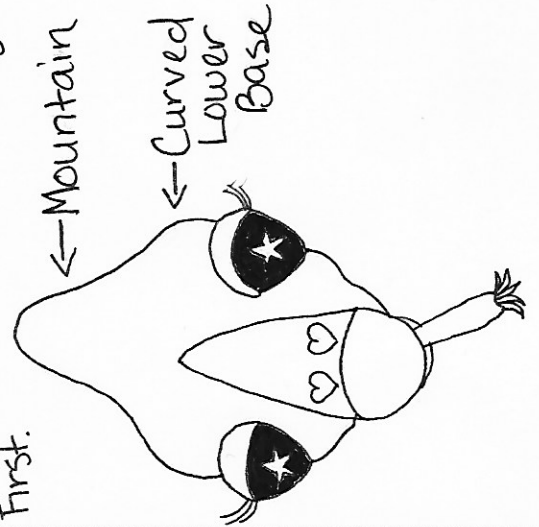

2. Float Horizontal Crescent Moon Eyelids on Either Side of Cone Tip. Add Curvy V Eyeball and Horizontal Shiny Spots.

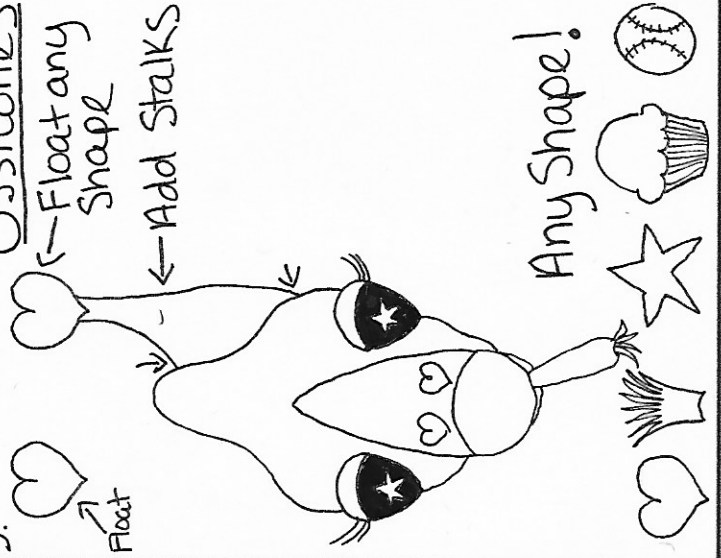

3. Add cheeks! Connect Lower Left Eyeball to Lower side of Cone, then Connect Lower Right Eyeball to Upper Side of Lip (Ice Cream).

4. Draw Mountain for Top of Head. You can Trace Invisible Shape with Fingers First.

5. Ossicones
 ← Float any Shape
 ← Add Stalks

6. Add Large Leaf Shaped Ears!!
